This afternoon we welcome to Yarrow Stadium are old adversaries from Palmerston North, Watson's Marist. We also have the opportunity to showcase some of our young talent from the 12th & 13th grades as New Plymouth Rangers take on their counterparts from Marist in the curtain raisers.

Like ourselves Marist come into the game on the back of a defeat to Havelock North last weekend having won both the opening two matches to sit in 2nd place in the table. It was a see saw match which saw three goals scored in injury time. Among their scorers was Josh Smith who played for the club during his time with Team Taranaki and Nick Carrick with two.

Welcome back Josh.

Last week we had the bye in the eleven team league.

Matches between our clubs are always well fought. Last year we suffered two 4-2 defeats so Juliano and the team will be looking to atone for those results.

We got the season off to a great start against Hokowhitu three weeks ago with 4-2 victory. Several new faces made their league debut for the club – Kieran Sturrock who only arrived 3 days before the game, Izaak Ryan, Henry Parker, a return to the club for Callum Bourgoise and after a year out with injury Jeremy Hawkes. Missing from last year are Wade Randle (to the UK) and Joel Willetts (Auckland).

Taku Warren and Dom Squatriti continued their goalscoring form from 2018 with two well taken goals each. Teenagers Henry Parker (16) and Izaak Ryan (19) showed they can both foot it at this level with strong performances. Things didn't go quite so well at Havelock North crashing to a 4-1 defeat. Our only goal came from a Kieran Sturrock penalty. The club and team took some unwarranted and scathing criticism from the Hawkes Bay press. Hopefully we can use that as an incentive to get a result today. Sadly, team captain Jeremy Hawkes is back on the treatment table after injuring his knee in training.

Hopefully new signing Sam Jiggins will be back from the UK to make his debut this weekend.

Chatham Cup

The club will enter the competition at the 1 st round after a bye in the preliminary round. Disappointingly we are the only Taranaki club entered in New Zealand's equivalent of the FA Cup. Only four clubs from the Federation have entered – NP Rangers, Palmerston North Marist, Napier Marist and Palmerston North End. The preliminary round was played on Anzac Day so

Don't you wish you were Scottish?

With the arrival of Scottish import Kieran Sturrock the club's ranks of Scotsmen have been boosted.
How could we not start with our infamous sponsor and mine host of Peggy Gordon's Celtic Bar
BERTIE BURLEIGH (from Largs)
KIERAN STURROCK (Dundee)
JIMMY GRIEVE (Glasgow)
PAUL RITCHIE (Glasgow/ Partick Thistle nil!)
ASH PEAT (Aberdeen)
And finally me the editor… GRAEME COOPER (Kilmarnock)
It would make a good 5 aside team with no room for me!

Other Club Updates

The first weekend was great for the club with all six senior teams winning.
After a struggle in 2018 the JLE sponsored Premiership team got off to a winning start away to Woodleigh by 3-2. Goals from Zane Foster with a rare header, Tyler Snow and a cool penalty in the last minute from James Graham sealed the win. Last week saw a tight match against Peringa drawing 3-3, the highlight being James Graham netting a hat-trick. Saturday saw a fine 2-0 victory over Hawera away from home. The team was re-enforced with acouple of Federation players. Goals came from Callum Bourgoise and 'goal a game' James Graham.
Equally it was a good start for the Treehouse sponsored Championship boys. Wins were had over Woodleigh and Peringa with Jimmy Grieve scoring in both games. Last weekend they had a 1-1 draw with Hawera, Tre De John netting our goal as they strive to retain the title they won last year.
HEL Rimu sponsored Oddbodz also got off to a flier in Division One with a 5-0 win at Francis Douglas College and 5-3 over Peringa. Ben Dowman scored a 20 minute hat trick against FDMC. Unfortunately they came a cropper against their hoodoo team Kaponga last Saturday going down 4-2. Goals came from Nathan Hill and Josh Richardson.
The star performers so far in 2019 are the Division Two team sponsored by Taranaki Thru Tubing. Three straight wins against Waitara (5-1), Peringa (5-3) and FC Western (1-0) have seen them soar to the top of the table. Dean Cumberledge doesn't do badly for a top goalkeeper turned striker netting six goals so far to lead the golden boot.
In the Women's Premiership our ladies have also began with a 100% record beating Inglewood 4-1 in the curtainraiser to the Federation League game at Yarrow Stadium. Kerrie-Anne Jones continued her scoring spree of 2018 with two goals in that game. Goals also came from Lauren Hampson and Mya Watkins. This was followed up with a 6-1 win at Eltham. Kerrie-Anne netting a hat trick this time with goals also from Mya Watkins and Reem Al-Obaidi (2).

Is there something in the water?

There has been a boost to the population around the club recently.
John Sigurdsson and Tracy Coker recently brought a baby boy into the world – Gylfi Sigurdsson … there's a footballer in the making with that name. The Everton midfielder (with that name) celebrated the birth too by scoring in their 4-0 mauling of Manchester United!
In the off season Daryl Foreman and Ash Peat became Dads, and Jeremy Hawkes, James Graham and Gordon Davenport are awaiting new arrivals soon. Apologies if there are others I've missed.
Monty, you'll need to arrange to build a crèche in the clubrooms! Another job for you Jeff Yates!

In week one, Peggy Gordon's New Plymouth Rangers met Hokowhitu from Palmerston North in the first Lotto Central Federation match of the season at Yarrow Stadium.
Boasting five players making their competitive debut for the club, NPR made a great start to the match. It was however Hokowhitu who made the breakthough after a great strike from outside the box by ex Eltham player Joeb Cadman. This seemed to spark Rangers into an extra gear and they found two quick goals from man of the match Taku Warren. He linked up well with 16 year Henry Parker and new import Kieran Sturrock to secure the lead.
A physical Hokowhitu side fought their way back into the game well to go into halftime at 2-2. At this stage coach Juliano Schmeling rung the changes and substitute Dom Squatriti made an immediate impact with a delightful chip over the goalkeeper to retake the lead.
In the closing minutes another debutant, Izaak Ryan put through a great pass for Squatriti to beat the goalkeeper one on one to get his second goal and complete a fine 4-2 victory.

JUNIORS UPDATE

In a first for the club we have two of our junior academy teams playing curtain raisers to the first team. With Palmerston North Marist visiting today they have taken the opportunity to bring two of their academy teams to New Plymouth to meet their counterparts from NP Rangers.

RANGERS 13TH GRADE V PN MARIST - 1PM AT YARROWS

The 13th grade Academy team coached by club Head Coach, Juliano Schmeling and Rikki Parrett will play at 1pm. The actual Academy team is a small squad of 10 and Matt Rawlinson, Declan Johnson and Libby Dowsing will be the three to watch. Also Flynn Cave, Harry Fielding, Malakai Zielinski and Zavier Brown will be backing up for them from the 12th grade team.

RANGERS 12TH GRADE V PN MARIST - 11AM AT YARROWS

The 12th grade team coached by Premiership coach Manuel Luque and Eddie Brown plays at 11am. This is the team going to Australia later in the year to play in a Junior Tournament on the Gold Coast. Players to watch include Krish Killa, Flynn Cave and Zavier Brown. The main goal for the season is to play good football as a team and compete as well as possible.

12TH GRADE ACADEMY TRIP TO AUSTRALIA

As said before the 12th grade team is heading to Australia for a great experience to play in another environment and test their skills against players in a different country.
The boys and their parents have been fundraising for the trip since last year with barbeques, cake stalls, selling firewood and a great quiz night at Peggy Gordon's bar recently.

2019 JUNIOR SEASON

Once again we have huge numbers registered to play junior football in the NP Rangers colours from the 4 year olds in First Kicks to the Youth grade. Last year we had 28 teams and a similar number looks likely this year. Well done to Louise Tester and her team in organising a huge job in sorting out the teams. Their season starts on the 4th May.

THERE IS NO OFF SEASON AT THIS CLUB

Once again we ran the 5 aside Summer League (October – December and February-March) with record numbers taking part. Don't take your dog for a walk on Merrilands Domain on a Tuesday evening in the summer …. You'll have to park your car in the shopping centre car park half a mile away!
The club ran several holiday programmes over the summer too. These were run by Juliano and Manuel and well supported. These are open to non-club members as well and will continue over future school holidays.
Thanks to Eddie Brown and club chairman, Monty Ammundsen for their efforts in keeping these events running.

Thanks to all of our supporters
