Welcome to the final home fixture in the Federation League for 2020.

How apt it should be against our closest rivals, Wanganui Athletic, both in the table and geographically. Both teams come into the game with a chance of winning the league – what a great scenario!

Athletic have the slender average of a two point lead over us with just two games to play. Both sides will go all out for a win as the final fixtures are Havelock North (away) for us and a home fixture for Wanganui against Palmerston North Marist. It's ironic that those two teams fill 3rd and 4th in the table.

Last weekend Wanganui Athletic beat Havelock North comfortably 4-0, the ever dangerous Ryan Holden scored twice before half time while Jordan Candish virtually settled the game in the 56th minute before Quinn Mailman rounded off the victory in injury time.

It was interesting to see Havelock goalkeeper, Nick Hayward (ex-Wanganui Athletic and Team Taranaki) was sent off midway through the second half for 'violent conduct'.

TOWARDS THE FINAL RUN IN

Last weekend we had the bye which allowed Athletic to regain the lead in the table they've had most of the season.

The previous week we won easily against a spirited Manawatu Red Sox side. An early own goal gave us the lead which was quickly followed up by Mark McGrath's 16th Fed League goal of the season. Man of the match, Matt Hastings scored the third (his first goal for the club) prior to half-time. Matt's fellow defenders then decided to get in the act, Alfie Luque stealing in at the far post to make it 4-0 before a penalty from Dom Squatriti and a rasping shot from defender Niall Leggett completed the rout. Lee Rufer netted a consolation for Red Sox near the end.

PLAY-OFFS FOR CENTRAL LEAGUE

Without getting ahead of ourselves Should either NP Rangers or Wanganui Athletic make it there these will be played on the weekend from 10th October over two legs against the winner of the Capital League, Wainuiomata in consecutive weekends.

THANK YOU TO OUR SPONSORS

As we approach the end of the season the club would like to express our gratitude to all our sponsors. Peggy Gordon's Celtic Bar have continued to support the Federation team as sponsor which goes a way to meet our expenses travelling around the region. After a very ordinary season in 2019 I hope Bertie Burleigh and his team have benefitted from backing a more successful and entertaining team this year. Bodylogic provided physio care for the team.

Our other senior teams have had the backing from the Treehouse Bar & Café, HEL Rimu, Taranaki Thru Tubing and EZYwash.

Also thanks to Van Beers Motors for supporting our junior Academy teams.

A huge thanks to Dwayne and his team at Topprint for making this programme happen. Also thanks to John Sigurdsson for collating all the information and putting it in a legible format! There are others who continue to support the club through products and services. All our sponsors are shown inside the back cover of this programme.

WHEN OUR JOURNEY INTO THE HIGHER LEAGUES BEGAN

In 2016 after dominating the local leagues for quite some time we decided to enter a team into the league above us at that time which was the Western Premiership. This league sat between the Taranaki Premiership and the Federation League and was a stepping stone to the Fed League. Creating an extra team and still expecting to support Team Taranaki and also compete in the Taranaki Prem League was a huge challenge but the 2016 year will go down as a highly successful year. With 8 Rangers players involved in Team Taranaki, our Western Prem team had a mix of experience and youth but performed superbly over the season taking the league with only 1 loss and 1 draw. At the same time our Taranaki Prem team won their league to make for an outstanding double. Not to be outdone Team Taranaki won the Fed League and was promoted to the Central League.

Now we are in a position with two games to go to potentially win the Fed League 4 years on. Wanganui Athletic and Havelock North stand in our way and they will be bruising encounters which will prepare whoever wins the league for a good shot at the promotion game.

SENIOR CLUB UPDATE

PREMS

In a tough schedule the Premiers bowed out of the Duff Rosebowl against Waitara losing 1-0. Playing cup games on a Sunday was difficult and a possible high to the end of the season was snuffed out.

The chance to play on Yarrows against Peringa in the Premiership saw us lose to Peringa 5-0, a result which probably flattered Peringa. Despite the scoreline Jeff Yates had another outstanding game having played for the Championship side in the curtainraiser as well.

The team returned to winning ways in a floodlit fixture against Hawera winning a close game 1-0. Gordon Davenport headed home the winner.

This weekend sees a tough fixture against a very good NPBHS First X1. The visitors need to win to keep the Premiership hopes alive in next week's showdown with FC Western to decide the title.

Our lads will look complete the season with a win in their home match against Woodleigh next week.

CHAMPS

Two more good wins for this team see them keep the pressure on Kaitake at the top of the Championship. It was a comfortable win over Peringa (6-0) at Yarrows, with two more for sharp shooter Jono Martin while Ben Viss continued his recent scoring form with a brace as well. Veterans, James Grieve and Michael Somers completed the scoring.

Last weekend saw a comfortable victory over Hawera by 4-1, although not as many as the reverse fixture earlier in the season (15-1). Another two from Jono Martin and a James Grieve penalty and a first for the season for Lucasz Zielinski completed the scoring.

This week they are away to NPBHS looking for victory there and round off with a home match against Woodleigh. Two wins and a unlikely slip up from Kaitake could see some silverware head to the club. Here's hoping.

DIV 1

With the league season now complete the Oddbodz have switched their attention to the Nimmo Cup. With two triumphs in the past three years the lads will be hopeful of winning it again.

They started with a win over Woodleigh in the first round winning 5-2. Danny Mosquera notched two while Dave Smith, Kurt Leuthart and Josh Barrett completed the scoring. This weekend they are away to Kaponga seeking a win for a place in the semi-final next week.

Jeff Yates has been a long time volunteer and player at Rangers and this year has also come on as a sponsor of the club along with his partner in construction Scotty Pringle. Your support and ongoing commitment is very much appreciated around the club. Support them if you can.

Bodylogic are proud sponsors of New Plymouth Rangers top team for the 2019 season. Physiotherapist Stephen Lett will be looking after the team as well as any other senior players that require support.

DIV 2

Like the Oddbodz, this team has wrapped up the league season winning the Division Two title a couple of weeks back.

It's the Nimmo Cup as well for these old timers. They beat Kaitake 4-1 after extra time in the 1st round leaving the bulk of the scoring until after 90 minutes! Dean Cumberledge and Callum Metcalfe each scored twice.

This weekend they travel to Eltham to try and secure a Semi-Final berth.

Wouldn't it be great if both the Rangers' teams made the final?

WOMEN'S

Like some of the other teams it's a focus on the Duchess Cup for our women's team. After victories against Inglewood in the 1st round (1-0) and a 5-0 win over Waitara in the semi-final they head to Yarrow Stadium to play Moturoa in the final. In the Waitara match Jennifer Stoiber scored twice whilst Reem Al-Obaidi, Darcy Holden and Nina Laird got the others.

Sadly the games clashes with today's Federation League match with Wanganui Athletic. It would have been great for the whole club to support both games equally but are now in a position to choose one.

The best of luck to the girls!

ACADEMY UPDATE

Although the junior season is drawing to an end the Academy programme continues for 2 of the 3 teams. We would like to thank Van Beers Motors for their continued support of the three teams. We also have had support from Southern Trust, Energyworks and The Rent Shop.

We have offered extra coaching with the partnership with the Ricki Herbert Football Academy for the Academy and development teams. We had two development teams, one that played in 9th grade with two players Hadley playing 1 year up and another Brandon playing 2 years up. Look out for these potential stars of the future. This was coached by Paul Morgan. We also had a 10th grade Ronaldos team that was coached by 2 of the 13th grade Academy players Xavier and Krish and supported on Saturday with Phil Reade

The 9th grade Van Beers Motors Academy team has had a pleasing season. They have been coached by Darryl Foreman and managed by Justine Shearer. They competed in the Wynton Rufer Tournament in Wellington coming 11 out of 32 teams. One great learning experience for the boys.

The 11th grade Van Beers Motors Academy team continues to work hard and develop their skills and team play. They also competed in the Wynton Rufer tournament and came 11th as well, Coached by Dean and Raymond the team came second in the local league playing in the 12th grade. This is a good achievement as 2 of the players (Michael and Jack) are playing 2 grades higher and all but one of the other players are playing one year up. This team values teamwork and a passing team game.

The 13th grade Van Beers Motors Academy won the league going through the season with 14 wins from 14. They have 5 players playing an age higher and were not allowed to play 15th grade due to the age differences. In these 14 league games the team conceded only 2 goals and scored over 150 goals. They play a great style of football with passing and moving.

In the next holidays the 11th and 13th grade team is travelling to Wellington for coaching at the Ole Academy then playing in the Western Suburbs tournament the next day. We are excited to have this opportunity and hoping for future possibilities. We have 6 players train at the Ole Academy in July and were impressed with the facilities and pathways

The 13th grade is also competing in Taupo during the last weekend of the holidays. Last year they were unlucky with finishing and finished 3 in their pool only losing to Birkenhead and East Coasts Bays (both teams complimented us on how we played) and this year are looking to do better.

A MASSIVE THANK YOU TO ALL OF OUR SPONSORS
