Welcome to Yarrows Stadium today for Peggy Gordon's NP Rangers first league match of the year. We welcome Ray White Hokowhitu from Palmerston North to Yarrow Stadium today. This is a vital first up match where the boys need to secure the three points to start the campaign off with a bang. A few additions to the squad this year will hopefully show some depth competition within the team. Player recruitment is always difficult with travel, loyalty and ambition from players. At NP Rangers the board has pulled a lot of resources together to provide the structure and organisation for the team to run smoothly this season.

Also a big thanks to those on the board that have put in numerous hours for this to happen. Securing the use of Yarrow Stadium and Pukekura Park for the season is fantastic. It can only help improve the quality of football on display and show case our province to the rest of the Central Federation. There is a need for the pathway to higher level competition and NP Rangers has taken the mantle to provide this to Taranaki. As a province let's get out and support football and enjoy the skills involved in the Federation League. As a football community we owe it to the future generations to provide top football and have somewhere a young player can aspire to. It would be great if other clubs in Taranaki also entered the Federation League which could expose more young players to this level and even out the travel imbalance that we currently have.

The big challenge I would like to throw out to supporters today is to ask yourselves "how we can help the club". You can help the club in many ways big or small. Little things like helping out on match day, buying raffles or bringing a friend along to the game. Big things like supporting our sponsors and advertisers and make sure they know you are NPR member when you do. To our members and supporters thank you for the support, enjoy your day and I will see you at Peggy Gordon's after the game for the after match. - New Plymouth Rangers Committee

Whats happening around the club?

We held the first ever over 45's masters tournament over the Taranaki Anniversary Weekend. Our old boys did well but lost the final to Woodleigh. There is always next year

Our 2018 Disabilities Programme was a big success. Over the 20 weeks we had 22 young people join us and improve their football skills. This will go again starting in Term 2

In January we worked with Camp Quality to offer 70 kids battling cancer a chance to kick a ball around. Big smiles everywhere

Our women's team split to enter 2 teams in the annual Moturoa 5 aside tournament. Both did really well and made the semi finals. Final placings of 2nd and 4th were a great achievement for our squad

We pulled together a strong over 35's team for the recent Taranaki Masters Games and won the tournament, narrowly pipping Inglewood and Peringa. Well done to all teams for making it such a tight tournament.

We sent a team down to Whanganui to compete in the NZ Masters. After a 5-0 win against Tawa in the QF we just couldn't find a way past Olympic and had to settle for a penalty shootout loss and 4th.

Our Fed team have been very busy in the offseason. Wins against Moturoa, FC Western (2), Red Sox, two draws against FC Western and a loss to Whanganui Athletic the guys are ready to go. Lots of competition for spots and plenty of young legs make for an exciting prospect.
