Welcome to our third home match of the season against Napier Marist. After two fixtures at Yarrow Stadium we return to playing at Merrilands Domain.

After successive away wins over Massey and Levin the lads returned home to face a North End team which had suffered two losses to begin their season.

Injuries and illness ruled out Matt Hastings, Brandon Sumpter and Eoin Murphy from the game so it was an opportunity for others to shine. With James Burroughs also injured goalkeeper Daryl Foreman stepped up to take the gloves while Ben Moore moved back into the defence and Sam Jiggins was back for the Fed team. It was a slow start for Rangers. North End took an early advantage in the 4th minute to take the lead through Ismael Mimbi. Indeed North End held the advantage for the first half hour creating more chances. The turning point came just before half time when Patrick Smither deflected past his own goalkeeper David Luke to leave the game poised at 1-1 going into the break. The game was played in heavy rain and swirling winds but this didn't concern Rangers after a good half time talk from the coach. Mark McGrath gave the team an early lead in the 49th minute followed by another quick goal from Dom Squatriti five minutes later to put us in ascendancy as North End failed to continue the early dominance. Late goals in the 74th and 89th minutes from McGrath saw him complete his first competitive hat-trick for the club. Man of the match was Ben Moore who was outstanding at the back adjusting from his normal midfield role well. Mark McGrath and Dom Squatriti weren't far behind in leading the line well in the second half.

On our opponents Napier Marist, we played Napier Marist three times last season winning the last game of the season 3-2 at Pukekura Park where 2 goals from Niall Leggett and a Sam Jiggins screamer won the game. We lost heavily away in the league and at home in the Chatham Cup.

Napier Marist comes to New Plymouth on the back of a 2-2 draw at Massey University. Former Rangers player Mustafa Can was amongst the scorers for Marist. They are coached by a stalwart of Hawkes Bay football, Martin Akers.

FROM THE DUGOUT

While satisfied with the result Coach Manuel Luque said "I'm concerned with the slow starts in recent games. Again we allowed North End, as we did at Levin, to dominate the early part of the game. This is something we have to stamp out and will be discussing at training this week" "The goals scored (16 in the last three games) are a definite plus and I'm pleased to see Mark banging in a hat-trick to takes his tally to 6 in 4 games" he added.

JUNIORS UPDATE

After the delayed start due to Covid 19 we are up and running across all the grades. This year we again have 29 teams spread from 4 year olds to 15 year olds. We have a new co-ordinator running the juniors this year in Tony Bennett. Tony coached his son's team last year and has stepped up to this role whilst still coaching. Welcome aboard to a challenge but hopefully a rewarding position. Tony has the full backing of the senior Rangers committee. Monty Ammundsen continues in assisting the juniors and is the gel between the senior and junior aspects of the club. Eddie Brown continues to oversee the Academy teams in the juniors of which we have four – Under-13, Under-12, Under-10 (who play 11th grade) and a development squad. This year with Manuel Luque's commitments to Central Football and our Federation League team we have the Ricki Herbert Football Academy running the additional coaching sessions for the Academy teams. Over 55 lads are involved in this and hopefully their football improves from the extra coaching. It's pleasing to see many of our current and former players involved in coaching the juniors. Daryl Foreman is looking after the 10th grade Academy squad. Other current players involved include Dean Cumberledge with the 12th grade Academy team, Ken Swan and Paul Ritchie. We also have ex players in Ryan Evetts, Paul Johnson, Brad Hickling and Craig Laird passing on their knowledge. We thank the parents who have got involved as well. We can't run teams without their support. If there are current players who would like to assist going forward speak to Monty.

RANGERS ACADEMY AND DEVELOPMENT PROGRAMME UPDATE

This year the club has formed a partnership with the Ricki Herbert Football Academy (RHFA). This coaches take our development and Academy players on a Tuesday night. Kale and Brad travel from Hamilton each Tuesday to work with the teams with the support of Owen a club senior player. Academies team were selected from trials and development programmes are open to all to register as the club believes in support the development of all players. This year we have three Academy teams all sponsored by Van Beers Motors who have donated jackets to the club for players to wear. Academy team. The 9th grade team is coached by Darry (senior club player), the 11th Grade Academy is coached by Dean and Raymond and the 13th Grade Academy team is coached by Eddie. We also have development players in the 9th grade and 10th grade that play together in teams in their age group. All players have impressed the RHFA coaches with their positive attitude and determination to improve. With Covid 19 tournament have been limited though we are working on attending various tournament next term.

Bodylogic are proud sponsors of New Plymouth Rangers top team for the 2019 season. Physiotherapist Stephen Lett will be looking after the team as well as any other senior players that require support.

SENIOR CLUB UPDATE

PREMS

The Premiers had the luxury of playing the curtain-raiser to the Fed game at Yarrow Stadium last Sunday against FC Western. The game was played in wet and blustery conditions but despite that produced a close and exciting game (for the neutral). After a tight first 30 minutes Rangers opened the scoring through a great header from Gordon Davenport which was quickly followed up by an excellent strike from Ryan Munro to give us a 2-0 half time lead. Western pulled one back with well struck free kick which left stand in goalkeeper Jeff Yates no chance. Despite exerted pressure from Western we reclaimed the 2 goal lead with a rare Simon Bush goal. As the weather deteriorated Western's younger legs seem to give them the edge when a hand ball in the penalty area saw the arrears at 2-3. This lifted Western and two late goals secured their win and this deflated our players. Jeff Yates was outstanding in goal at the age of 44 as he filled the goalkeeping emergency. The team gave it their all with Jeremy Hawkes and Jakob Morrison putting in good shifts. This weekend sees a visit to Eltham who are level on points with Rangers. NPBHS lead the Premiership after their draw with Moturoa last week.

CHAMPS

Up against last year's champions in the division, FC Western, the lads knew it would be a tough ask to match their opponents. As it happened they were up for it and in tough battle across the pitch it was Michael Somers' team who came out on top 1-0 which also helped them retain the division's Challenge Trophy. A solitary strike from Jonathan Martin (apologies for getting your name wrong last week) won the match in the 64th minute. Both Jared Wilson and Jonathan Martin had gone close just earlier while Jimmy Grieve was frustrated from his attempts. Michael Somers made the difference in midfield after coming on as a second half substitute His ball winning in midfield gave the confidence to get that winning goal. Jonathan Martin, Jeff Yates (in his first of two appearances of the weekend) and Jimmy Grieve showed up best. This week sees a trip to Eltham, Rangers sitting in 3rd behind NPBHS and runaway leaders Kaitake.

DIV 1

The Oddbodz team were the only team away from home this weekend but it made no difference to them as they blitzed cross town rivals Moturoa 9-0. Goals from the Matt Ander led team came from Josh Richardson (2), Tom Dacre (2), Ander himself (2), Liam Ander, Tom Bruce and Michael Blanks completed a one sided affair. This keeps the Oddbodz equal top with Peringa Pirates just behind on goal difference. The two teams meet this weekend in what should be a good test for both teams who have scored 33 goals between them and conceded just one each.

DIV 2

Our Division two team completed the trilogy against FC Western last weekend. It was another tight affair before Rangers scraped home 1-0. Despite a missed penalty from Brett de Faria a goal from a swung in corner was met by Craig Gibson's nose to be steered over the line. This goal came at a similar time to the one on the adjoining pitch. The evergreen Craig Gibson controlled the defence to keep the clean sheet. This win put Rangers at the top of the division, one point clear of FC Western, Peringa United and this week's opponents Eltham.

WOMEN'S

The ladies headed to Waitara last Sunday for what is normally a very tough game. However the girls rocked their hosts going into a 5-0 lead after 20 minutes. Waitara came back into the game but Rangers came away with a fine 6-3 victory to cement a place in the top three behind the very strong Moturoa and NPGHS teams. The goals came from Jennifer Stoiber (2), Darcy Holden, Aimee Wisnewski, Mya Watkins and Jade Boyce.

LIVE STREAM AND COMMENTARY

For those that have kept a close eye on our facebook page you might have seen the game last week was livestreamed across the world. There was a total of 897 tuned in live during the 2 hour stream but there have now been almost 2000 views of the game. This is awesome coverage for our team, our club and the competition. We are looking into how we can continue to deliver this service but in the meantime here are the people and organisations that made it happen.

A massive thanks to Will Johnston who was the lead commentator and undertook plenty of research. Will has previous experience with Taranaki Rugby, on radio and hosts a podcast called Overtime. He has covered rugby and hockey for Sky Sport.. It is great to have his expertise involved in sport and in particular football. Joining Will in the commentary box was Brent Youngson of Central Football on his commentary debut. Both did an excellent job.

The organisation behind the filming was Touchline Media NZ who delivered a professional package. The man behind this is Scott Siffleet who has previously been involved in livestreaming local rugby, bowls and endurance events. Their goal is to increase the coverage of local sport and the service is only going to grow. Thank you Touchline Media NZ, Will Johnston and Brent Youngson.
