Welcome to Palmerston North Marist 2nds today to Merrilands Domain for the second round of the Women's Federation League. Marist is a club I spent 4 years with in the early 2000's albeit in the men's teams of course. Marist is leading the way in women's football across our Federation with a strong pathway from social to the highest level and we hope to emulate that one day with the work we are doing here.

Our first game at this level didn't quite go to plan. Going down 1-0 after just 1 minute was a harsh introduction to the league, and even though we bounced back to equalise in the 6th minute, we found ourselves 4-1 down at half time. The second half was shared 2-2 meaning Massey took the win 6-3 and the 3 points. Goals to Holly Kleinsman (2) and Lilly Dowsing will provide some confidence going into today's fixture.

The curtain raiser today is our Ezewash NP Rangers 2nd team against a quality NPGHS team who will be looking to back up their premiership win from 2020. This is the start of the local leagues and will really test our depth due to the additional team this year. Coached again by Monty Ammundsen there are a lot of regular faces that know what it takes at this level so we are looking forward to a good season.

There is a lot going on around the club as all of the local men's leagues start this weekend as well. We have teams scattered around the region with the only other home game being the oddbodz verse the Francis Douglas Memorial College Development team.

A lot of work has gone in to get to the start line so again we have to thank those that are behind the scenes, making this club function. The committee listed above does hours of volunteer work each week to ensure teams have playing uniforms, a nice place to play and also socialise, but also to bring in much needed funds to keep the club operating to such a high standard. We feel like we ask to often but if you could lend a hand with any task on or off the field, behind a computer, behind a camera, behind the bar or in the kitchen then please let us know. It could be as little as 1 or 2 hours a week which would make a massive difference to us.

JOHN SIGURDSSON
CLUB CAPTAIN

Enjoy the games today and lets hope to see as many goals as last week.

Jeff Yates has been a long time volunteer and player at Rangers and this year has also come on as a sponsor of the club along with his partner in construction Scotty Pringle. Your support and ongoing commitment is very much appreciated around the club. Support them if you can.

MATCH REPORT FROM ROUND ONE

New Plymouth Rangers embarked on their first ever match at Central Federation League last Sunday against Massey University. Like their male counterparts on Saturday the University team was on the front foot early.

Early pressing and cohesion for Massey led to a quick goal for the dangerous Sara Gurnick within the first 5 minutes for the visitors before NPR managed to get on the ball and create some opportunities for themselves. High turnover of possession then proceeded before Holly Kleinsman following up from a shot managed to bundle the ball over the line to bring the score to 1-1.

Massey continued to win more of the ball in the midfield and was able to penetrate through the NPR defence line. This saw a further 3 more goals from Gurnick, Eva line Bruce and Micaela Reyes before the break for Massey and a comfortable lead of 4-1.

After the break an early turnover of possession led to Massey increasing their lead to 5-1 through Melissa McKenna, before NPR began to win more midfield ball and build some confidence. Tireless running from Zara Erol Watt and Holly Kleinsman helped NPR to begin to probe and the introduction of Lily Dowsing and Emma Macarthur helped to provide greater ball and options. Despite beginning to create more opportunities, against the run of play Massey added to their tally with Sara Gurnick completing her hat-trick to make it 6-1.

NPR continued to press forward and was rewarded for their endeavour with two goals within the last 10 minutes. One was a lovely team goal with good work from Saskia Pelham and Ruby Hales down the left before a cross eluded everyone apart from Lilly Dowsing who calmly stepped inside her marker and finished with her left foot. A few minutes later a through ball into the right hand side of the penalty box was lashed in first time by Holly Kleinsman to make the end score 6-3 to Massey.

Graemes thoughts:

We have a very young side with an average age of under 20. Coach Andrew Moore said the team learned how tough it will be to compete in this competition but we have good belief in our ability to improve and work hard.

"Massey is a side that wants to play positively, like we do and we saw today how you can execute that. The last 20 minutes of this game was encouraging and if we can adopt the same level of intensity earlier and for longer, we will improve" It was a great learning curve for the girls and Moore was please to have a good crowd supporting us.

Next Sunday NPR plays Palmerston North Marist at home.
